Thank you for registering to participate in **SERVE MONTANA** on **Saturday, May 4th**. The mission of this event is to *Unite the Church to Serve the Community*. Our hope is that we get to visibly demonstrate the love of God by meeting physical needs throughout our communities while also creating the opportunity to meet & serve with Christ Followers from other church

communities. In addition to the Greater Missoula area, we are thrilled to be launching Serve Montana Bitterroot, serving the Bitterroot Valley from Florence to Sula, as we long to spread statewide as the years unfold.

For Greater Missoula, we are sorting **over 600 participants into over 60 projects from Nine-Mile to Lolo**. We have sought to honor the preferences and requests of all registrants to the best of our abilities and the specific project constraints. Thank you for being flexible and having a servant's heart wherever you have been placed!

Everyone participating will need to sign the attached waiver. Please print and bring to check in on Saturday, May 4th. We will have copies available as needed.

If for some reason you are no longer able to participate on May 4th or if the group size you registered has decreased or increased, please let your site leader know as soon as possible so that we make any necessary adjustments.

Go! Love! Serve! In Christ's strength and love,

The Serve Montana Mobilization Team
